**CAMPUS COMMONS
AT
COLLEGE SQUARE
JOHNSTOWN, PA**

WELCOME

Campus Commons, Inc (the “Landlord”) offers off campus student apartments adjacent to the University of Pittsburgh at Johnstown. We welcome you to our community. As with any community, there are policies that must be followed so that all residents can live together cooperatively and thus maintain a positive living-learning environment. This document contains information that you are expected to know and follow and will operate as an addendum to your apartment lease with Campus Commons. Any violation of rules set forth in the Campus Commons Operating Policy will constitute a breach of the terms and conditions of your lease.

1. MOVE-IN PROCEDURE

Contact the rental office to obtain keys and to arrange for a MOVE-IN/MOVE-OUT Inspection Report. The Landlord and Tenant will both inspect the apartment for any defects or damages, making notation of any observed condition. This report will then be utilized again during the Move-Out inspection.

Advise the rental office of your telephone/cell phone number.

2. KEYS

Each resident will give one key. This key must be returned at the end of the lease term. For your safety, **KEYS MAY NOT BE DUPLICATED**. Failure to return the key shall result in a \$100.00 deduction (per key) from your security deposit. Mailbox keys not returned will result in a \$50.00 reduction in security deposit. If you should lose your key, you should contact the rental office or the maintenance personnel for a replacement key and/or to requisition to have the locks re-keyed. A replacement key will cost you \$25.00. Re-keying the apartment and issuance of 4 new keys will cost \$200.00.

3. SMOKE DETECTORS AND FIRE EXTINGUISHER

Your apartment is furnished with smoke detectors and 1 fire extinguisher. Missing or damaged smoke detectors will be replaced at a cost of \$100.00 per detector. The working order of the detector may be tested by pushing the test button. Should the alarm fail to sound, you should replace the battery. Each apartment is also equipped with a fire extinguisher. Used or missing extinguishers will be replaced at a cost of \$200.00.

4. RENTAL PAYMENTS

Rent payments are due, without demand, at the rental office on the due dates set forth in the Lease. Payment may be made by check, cash, money order, debit card or credit card. Payments can be made online at the Campus Commons website or at the Rental Office. If a credit card is used, a 3% credit card service fee shall be added. Checks shall be made payable to “Campus Commons, Inc.”

If you are late in paying rent and your Lease provides for monthly rental payments, a late fee of **\$7.00 per day** will be assessed for each day following the due date. If your lease provides for bi-annual payments, the late charge will be **\$25.00 per day** for all rents paid after the due date.

NSF, closed accounts, uncollectible and/or returned checks will result in the imposition of a **\$50.00 service fee** added to the rental and late payment fees.

5. USE AND NUMBER OF OCCUPANTS

The apartment shall be used solely as a private residential dwelling and no other purpose. The maximum number of people shall not exceed the number of bedrooms in the apartment. Overnight guests may not occupy the apartment for more than three (3) consecutive nights or more than 10 cumulative days in any one college semester period. Guest occupancy in excess of these limits will result in the imposition of a Guest Fee in the amount of \$100.00 per day which shall be added to Tenant’s rent as Additional Rent under the Lease.

6. TRANSFER OR SUBLETTING

You may not re-let all or part of the apartment or bedroom without the prior written consent of Landlord. If Landlord consents to any full or partial transfer/subletting, the new resident(s) will be required to sign a lease with Landlord and will become jointly responsible with the existing Tenant under the Lease. The original Tenant will not be released of obligations under the Lease. A non-refundable administrative fee of \$200.00 must be paid to Landlord for any Transfer/Subletting request.

7. APARTMENT INSPECTION/ENTRY

Tenant agrees that Landlord, or its agents, may enter the apartment during reasonable hours for the purpose of making inspections and repairs. Landlord entry can also be made at any time during an emergency, including those situations where Landlord believes a state law or lease provision has been broken.

8. CLEANLINESS

All residents must maintain the apartment and building areas in a clean, orderly and sanitary condition at all times. Failure to do so will cause Landlord to intervene and perform the necessary cleaning with the resulting expense added to the Lease as Added Rent.

***TRASH REMOVAL** – there is an on-site trash dumpster for all trash. There will be a \$25.00 charge (per tenant) for every trash bag that is not disposed of properly.
